The inspection is not required if a Certificate of Occupancy was approved for the living unit within the previous 12 months. Corrections to address some “failed” inspection items marked with an *asterisk may be required before a Certificate of Occupancy (CO) will be issued. An approved Certificate of Occupancy will be required before the City utility account will be activated. Failure to correct all “failed” inspection items within 30 days of CO approval (or as otherwise required) will result in a Municipal Court citation.
